

What is StatVista.com?

StatVista.com is a service designed specifically for the development of statistical professionals. It provides:

- Free advertising space for statistical jobs, courses, events, literature and software
- A platform for small to medium-sized statistical consultancies and freelancers to promote their services
- A virtual environment for statistical professionals worldwide.

This unique service has been created with the intention of uniting statistical professionals across a variety of industries. These include, but are not limited to:

- *Medical* – Biostatisticians, SAS Programmers, Biometrics Managers, Epidemiologists
- *Financial* – Credit Analysts, Scorecard Developers, Actuaries, Risk Managers
- *Market research* – Statisticians, SAS Analysts, Research and Quantitative Managers, Data Analysts
- *Academia* – Faculties of Statistics, Financial Mathematics, Operational Research
- *Agencies* – Recruitment of statistical professionals.

Advertising material is sent regularly to statistical associations around the world, as well as to academic institutions where statistics is taught.
